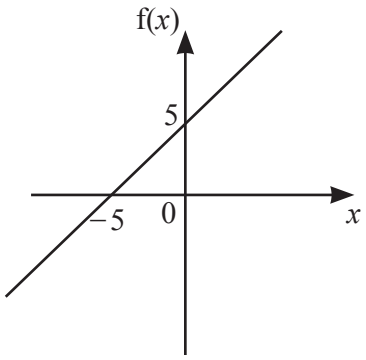
0580_s20_qp_43_Q10

10 **(a)** The diagrams show the graphs of two functions.

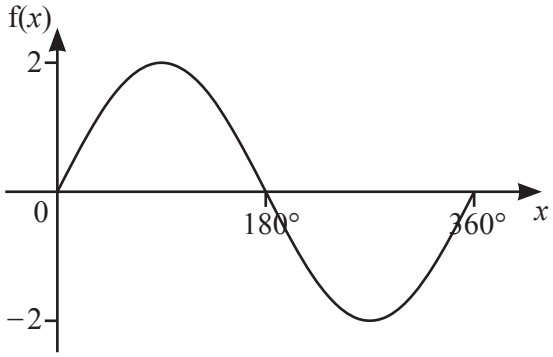
Write down each function.

(i)



f(x) = ... [2]

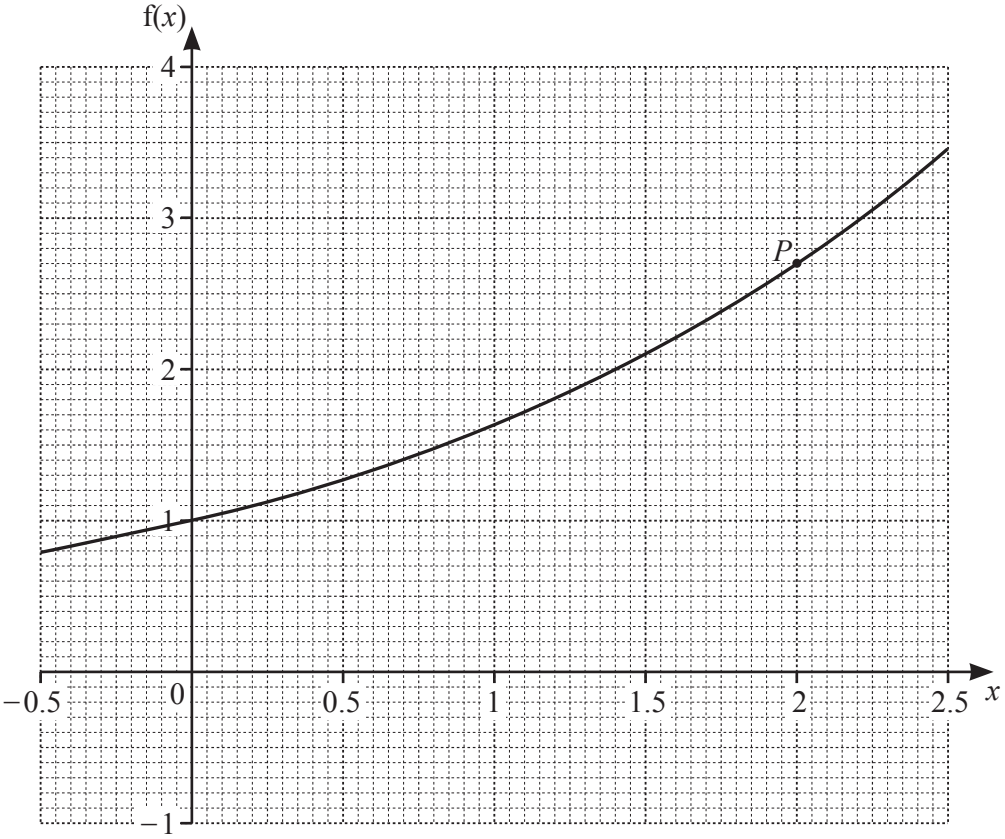
(ii)



f(x) = ... [2]

0580_s20_qp_43_Q10

(b)



The diagram shows the graph of another function.

By drawing a suitable tangent, find an estimate for the gradient of the function at the point P.
