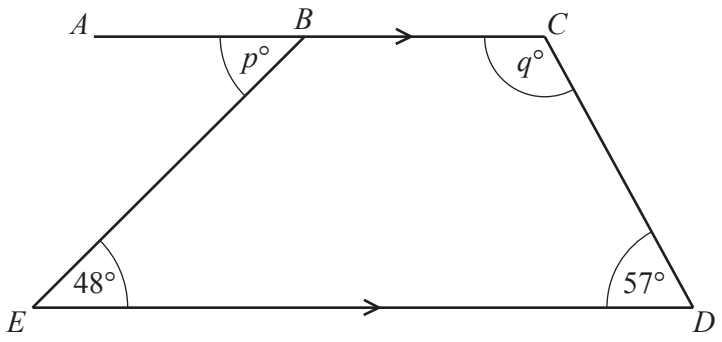
0580_w22_qp_33_Q6

6 (a)



NOT TO SCALE

In the diagram, *ABC* is parallel to *ED*.

(i) Find the value of p.
Give a geometrical reason for your answer.

p = ... because .....

..... [2]

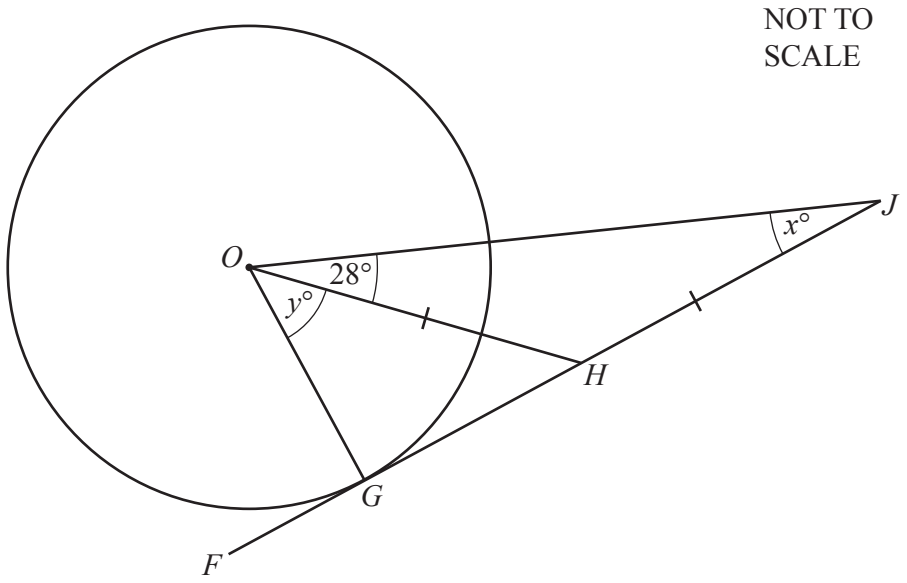
(ii) Find the value of q.
Give a geometrical reason for your answer.

q = ... because .....

..... [2]

0580_w22_qp_33_Q6

(b)



G is a point on the circle, centre *O*.
FHJ is a tangent to the circle at *G* and *OH* = *HJ*.

(i) Write down the mathematical name for triangle *OHJ*.

..... [1]

(ii) Find the value of *x*.

x = ... [1]

(iii) Find the value of *y*.

y = ... [3]
