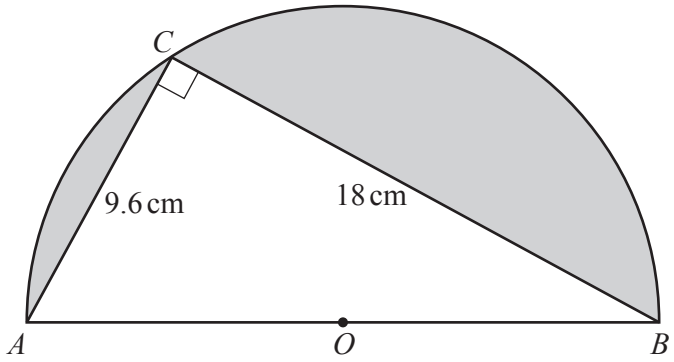
0580_w23_qp_33_Q9

9 **(a)**



NOT TO SCALE

The diagram shows a semicircle with diameter AB.
O is the midpoint of AB and C is a point on the circumference.

(i) Calculate the area of triangle ABC.

..... cm^2 [2]

(ii) Show that $AB = 20.4$ cm.

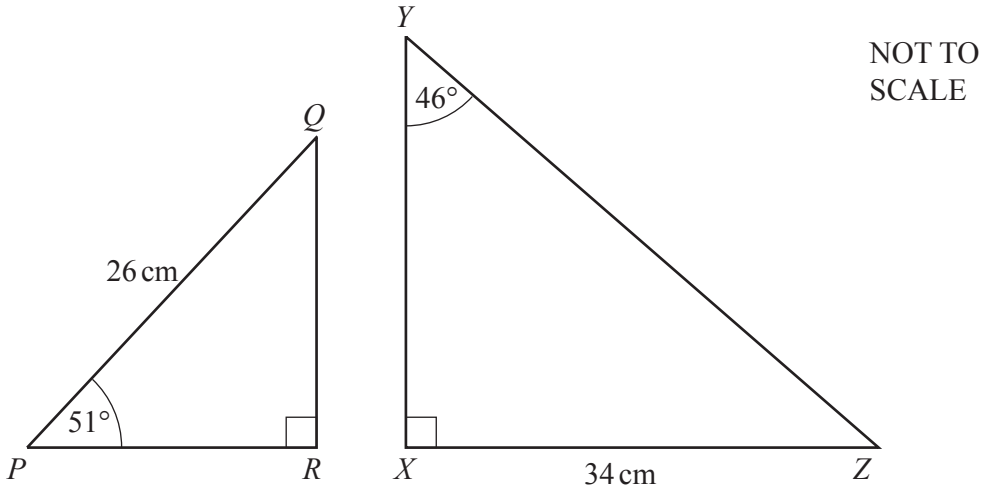
[2]

(iii) Calculate the shaded area.

..... cm^2 [2]

0580_w23_qp_33_Q9

(b) The diagram shows two right-angled triangles, *PQR* and *XYZ*.



Calculate the difference in the heights *RQ* and *XY*.

..... cm [4]
